# 2019 ASC Travel Reimbursement Guidelines Summary

## TIME SENSITIVITY

All Travel reimbursement requests must be submitted within 45 days or will not be reimbursable.

<b>Receipts</b>	Unless otherwise noted below, reimbursements will be paid only upon submission of original dated receipts for cash reimbursements or legible copies of dated receipts for check reimbursements issued from the office. A credit card statement may replace a lost receipt. Otherwise, no receipt means no reimbursement, no exceptions.
<b>Travel Reasons</b>	Travel to or from a Company Vessel, pre-approved training courses, Company meetings and other Company Business. Terminated or resigning employees may be denied travel reimbursement at ASC's discretion. ASC does not reimburse travel expenses for personal leaves, missed ship when not the fault of the Company, or emergency leaves, except as noted in union contracts or Liberty policy.
<b>Airfare, SIU</b>	All SIU employee airfare will be direct billed by ATP/ Griffin Americas to ASC. Only business travel booked through Griffin Americas may be direct billed. Anyone who uses Griffin Americas to direct bill non-business or unapproved travel will be subject to termination.
<b>Airfare, Others</b>	On a trial basis, Officers and Liberty employees may book and pay for their own airfare upon submission of proof of reasonable comparison fares. When in doubt about a reasonable fare, ask your dispatcher.
<b>Baggage</b>	Baggage fees in excess of \$100.00 per trip will <u>NOT</u> be reimbursed. Receipts valued at over \$100.00 will be reimbursed at the maximum of \$100.00. Requests for exceptions to this policy must be stated clearly in the remarks section to be reviewed on a case-by-case basis by the office and may be declined by the company.
<b>Mileage</b>	Mileage for driving <u>personal cars one way</u> is reimbursed at the IRS current year mileage rate, currently \$.54.5 per mile, which includes the cost of fuel and car maintenance. Travel over 300 miles requires proof of travel such as gas receipts, toll receipts or hotel receipts. When mileage is paid, gas is <u>not</u> reimbursable.
<b>Rental Car</b>	Receipts must show final amount charged for rental.
<b>Tolls</b>	Tolls are reimbursable when using a rental car or a personal car when traveling for business or a vessel.
<b>Rental Car</b>	Gasoline costs will only be reimbursed when used in a rental car.
<b>Parking</b>	Parking fees may be reimbursed for Company business meetings only, not for traveling to or from a vessel. Parking fees may not exceed 7 days.
<b>Taxi</b>	Receipts must show total amount charged. Taxi costs in excess of \$300.00 are considered extraordinary and will be paid only if prior approval was obtained by the Captain or someone from the ASC office and is documented on the travel reimbursement form. Taxi receipts must be on taxi company card or metered receipt.
<b>Personal Rides</b>	ASC will reimburse drivers at twice the IRS mileage rate of \$.58 for one way travel to cover the portion of a driver's trip without a passenger, for a total of \$1.16 per mile. Employees receiving a personal ride to/from the vessel must obtain a handwritten (or typed) receipt from the driver that includes the following information: actual miles driven one-way to transport the employee, the driver's name, address, and phone number. Reasonable meal costs for the driver may be reimbursed for rides of more than 400 total miles.
<b>Death in Family</b>	See your contract for Death in the Family payment policy. Death certificate or other verification must be submitted. Call the office with any questions.
<b>Hotels and Meals</b>	<b>SIU Members</b> When staying in a hotel, write \$150.00 on the HOTEL line of the reimbursement form and include the actual dated receipt for your stay (even if the cost is less than \$150) to receive a liquidated sum of \$100.00. This sum is intended to cover both your hotel costs and meals, therefore no additional reimbursements will be paid for any meals submitted when a hotel reimbursement is requested. When a hotel stay is not required, ASC will reimburse fair and reasonable meal expenses up to a maximum of \$32 a day upon submission of dated receipts.
<b>Hotel and Meals</b>	<b>All Other Employees</b> Reasonable hotel expenses of up to \$125.00 per night, or the standard rate for the area, will be reimbursed upon submission of actual dated receipts. We will reimburse for room fees and associated taxes only. Meals must be submitted separately and costs associated with other amenities will not be reimbursed. ASC will reimburse employees for meal costs up to \$40 per day upon submission of actual dated receipts. Note: Under no circumstances will ASC reimburse any employees for meals including charges for alcoholic beverages.
